Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

American Public Square is a nonpartisan nonprofit that seeks to change the tone and quality of public discourse. We organize programs that feature expert panelists and audience members with opposing views talking to each other, civilly, about controversial topics. Though these discussions may not always change minds, everyone walks away with a better understanding of the other side, a key step toward respect, compromise, and resolution.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No
If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No
If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 165,727 including grants of \$ 0) (Revenue \$ 0)

American Public Square covers a wide range of topics that are important to our community. In 2020, our mission to improve discourse through public discussions became even more important as the Covid pandemic exacerbated divisions in society and threatened to isolate community members. APS addressed this challenge by pivoting to a 100% virtual model for all programs. In 2020, APS produced over 30 programs that reached over 50,000 people on topics ranging from mental health to racism, climate change and the looming election. Our general events are always free and open to the public which is important because we believe that access to these events is critical to ensuring that the citizens of our community are engaged in the rights and resources that enable them to actively participate in civil society.

4b (Code:) (Expenses \$ 85,161 including grants of \$ 0) (Revenue \$ 0)

In 2020, American Public Square worked with area high school and college students to bring a project-based learning assignment to their American History, English and Civics classrooms, and to offer meaningful internships to interested students. This program is designed to help build students' skills for deliberative, fact-based discourse by conducting in-classroom trainings, as well as the support to produce a public, student-led program on the topic of the students' choosing. In 2020, APS college-level programming created opportunity for 14 interns over three semesters and 22 volunteer student committee members who produced 4 live, virtual events and three podcast episodes. Our high school education initiative featured APS' curriculum in 6 classrooms, with the project-based learning component set to commence in Spring of 2021.

4c (Code:) (Expenses \$ 217,335 including grants of \$ 93,011) (Revenue \$ 174,924)
